

GameChanger®

- ⚡ 2.5 Gb/s Ethernet and 100W PoE over 200 meters
- ⚡ Extra reach that makes your budget stretch farther, too.

CONNECTING
YOU TO **MORE**

SUPPORTED APPLICATIONS

Works with ANY Ethernet application including:

- HVAC, Generator and PLC Controls
- RS232 Extenders
- IP Video
- WiFi
- Access Control

CERTIFIED PERFORMANCE

AEM, Fluke, Trend, NETSCOUT, Softing and Viavi all have GameChanger specific cable types and test limits so you can deliver certified performance.

NO SUBSTITUTES

US Patent Nos. 10,453,589, 11,107,605, 11,562,835, 11,646,133 and 12,142,389 declare Paige as the sole manufacturer to produce and market a twisted-pair cable that supports both data and PoE applications to distances beyond 100 meters. Accept no imitations.

Save Time

- Hardware
- Terminations
- Touch Points

Save Money

- Trades
- Extenders
- IDFs

Save Hassle

- Points of Failure
- Risk
- Labor
