

GameChanger®

2x THE DISTANCE
4x THE POSSIBILITIES

**Fewer IDFs means more
operational freedom**

Unlock new possibilities
in space management
and design flexibility.

PAIGE[®] GAMECHANGER CABLE

Paige[®]
DATACOM SOLUTIONS

Expand your reach, not your budget.

The possibilities are endless with the Paige® GameChanger® cable. Discover the true meaning of flexibility when you incorporate the GameChanger into your infrastructure.

MAXIMIZE REACH, MINIMIZE LIMITATIONS

Place security and IT assets in their ideal locations, with clear views and unobstructed access points for optimal coverage.

REVENUE-GENERATING OPPORTUNITIES

Turn space previously dedicated to IDF needs to a parking lot, retail space or other purposeful function.

REDUCED ENVIRONMENTAL IMPACT

Eliminate the need for additional LAN hardware, reducing manufacturing and logistical resources, energy consumption and cooling infrastructure.
